0% interest free 2 & 3 year service plans

Servicing your caravan in line with the manufacturer's specification is central to supporting reliability, safety and economy. By opting for a Service Plan, you will have paid for the work required before your caravan visits the Service Department.

Your Service Plan can be tailored to your caravan's servicing needs, with a monthly Direct Debit covering the cost of all routine maintenance work for the specified servicing intervals.

A Service Plan also comes with the following benefits:

- **Pay Monthly** - An affordable monthly payment by direct debit covers the cost of all routine scheduled service work.
- **Inflation-proof-servicing** - If the price of parts or labour increases during the term of the plan, no problem - you won't pay more.
- **Service Plan** - By opting for a Service Plan, you will have paid for the work required before your caravan visits the service department.
- **Resale Desirability** - A Full Service History (FSH) is a significant asset to boost the desirability of your caravan - and therefore potentially the value.
- **Pick Up & Drop Off** - If you're a storage customer, we will collect your caravan from your plot & return it when your service is complete.
- **Flexible** - Your Service Plan is refundable or transferable - Please ask for further details.
- **Free Wash Off** - Once your service is complete, we will give your caravan a free external wash off.
